

# Camp Registration

New this year, every camp session will include both junior and senior campers. Some projects will be done by all campers, regardless of age, while other longer, more complex projects will be offered to senior crafters only.

## Junior Campers

Children entering kindergarten or 1st grade.  
Camps are Tuesdays through Thursdays 10:30 am to 1:00 pm.  
Cost is \$120 for each three day camp session.

## Senior Campers

Children entering second grade and older.  
Camps are Tuesdays through Thursdays 10:30 am to 2:30 pm.  
Cost is \$165 for each three day camp.

Register your child by calling or visiting the shop. Payment in full is due at the time of registration. Additional siblings attending the same session will receive a 20% discount.

Please pack a lunch and water bottle for your child each day of camp. Play clothes should be worn--crafting can be messy!

There will be several forms for parents/guardians to complete and sign. These forms will be emailed ahead of time; copies will also be available to complete on the first morning of each camp session. Please come a few minutes early on the first day or have your child bring the completed forms with them on the first day of camp.

# SUMMER CRAFT CAMPS

JUNE - AUGUST 2017

Welcome to summer camp at Heartfelt. Year round, we offer an ever-changing menu of seasonal crafts for all ages (these drop in crafts will continued to be offered throughout the summer). Our summer camps allow us time for more in-depth projects, and are beloved by campers and teachers alike. Led by owner Lisa MacMartin, each summer camp session features a variety of crafts inspired by an intriguing theme.

**New this year**, each of our camps will have two levels: **Junior** for children entering kindergarten or 1st grade; **Senior** for children entering second grade and older. Some of the crafts will be done by all the children, regardless of age. Other, more complex projects will be done only by the older children. Junior campers will end each day at 1:00 pm; Senior campers will finish at 2:30 pm. See back cover for pricing and other details.

## GNOME & FAIRY CRAFTS CAMP 1

Gnomes and fairies are intriguing creatures and we love to create miniature places for them to live. Our projects will include a building a treehouse and furniture, a gnome or fairy family, miniature clay dishes, food and more, using a low temperature glue gun and other tools. Junior campers will make a smaller version of the treehouse and use an ultra low temp glue gun for added safety. Please pack a bag lunch and water bottle.

**Tues June 20th - Thurs June 22nd**  
**Junior Campers: 10:30 am to 1:00 pm \$120.**  
**Seniors: 10:30 am to 2:30 pm \$165.**

**Tues August 8th - Thurs Aug 10th**

## GNOME & FAIRY CRAFTS CAMP 2

Has your child already built a treehouse and wants to do more, or is interested in creating other miniature places for their gnomes or fairies? Working on a wooden base, children will make a little village for fairies and gnomes, including a playground, farmers

market, a school, and more. We will use low temperature glue guns; junior campers will use an ultra low temperature gun for added safety. Small gnomes or fairies will be made, and vehicles for them to ride in. Is there a treehouse at home that could use a little refurbishing? We can make time for that work too. Please pack a bag lunch and water bottle.

**Tues June 27th - Thurs June 29th**  
**Junior Campers: 10:30 am to 1:00 pm \$120.**
