

Fairy Treehouses

A treehouse is fun to make and a fantastic play toy too. It's a big project, perfect during this time of staying home. A miniature low temperature glue gun is needed for this project. Prices include peg doll family, all decorations, and sticks for your glue gun.

Call 612-877-8090 to order your treehouse for pick up. Depending on our stock of treehouses, it may take us a day or two to fill your order.

A Note for Parents

What strange times these are. The kids are out of school, distance learning from home, unable to hang out with their friends. For adults leading their families, the responsibility can really hang heavy. Helping to school their kids is not something most of us signed up for. While working from home. Or not at all. Or as essential workers, on the front lines of this pandemic. We miss our friends, our extended families, our routines.

And I miss you all so much, and your children. The Heartfelt community is such a big part of my life; I feel aimless without it. The shop has been closed for three weeks and it feels like a shell of what it is meant to be; no birthday parties, no festivals, no revenue. And no help from any of the touted funds available for small businesses.

And so I have decided to start taking phone orders again. Hopefully this will be helpful to families while helping the business hang on a little longer. I wish for good health for us all.

Craft at Home

As ordered by Governor Walz, the shop is closed until further notice. As the weeks of staying home go by, we want to help families pass the time with creative projects. So, we are filling phone orders for curbside pick up or delivery. Please note there will be no in person shopping.

Choose from our prepackaged kits, craft kits from various manufacturers, art and crafts supplies, and more. Many of our former walk-in crafts can be made into kits to take home, pictured on page 2 and 3 of this newsletter. As always, we are happy to recommend projects to suit your child's age and interests.

Give the shop a call 612-877-8090. The store will be staffed several days each week from 10 am to 2 pm. for curbside pick ups. Delivery to Linden Hills, east Edina, Fulton, and Lynnhurst is available with a minimum order of \$24 or more. Cost for delivery is just \$5.

Four years ago, we launched the first in our series of Heartfelt craft kits. Minimally packaged, our kits are made to appeal to a wide range of ages.

Each kit makes three or four toys and includes all the materials needed to make the projects.

Kids will be engaged for a long time, first making the toys and then playing with them. \$24
