## Heartfelt Kits

Four years ago, we launched the first in our series of Heartfelt craft kits. Designed to appeal to a wide range of ages, our kits are packaged and ready to purchase in-store and over the phone. Each kit makes three or four toys and includes all the materials needed to make the projects. Kids will be engaged for a long time, first making the toys and then playing with them. \$24 each.

Does your child have a birthday coming up? Although our in-store parties are suspended for now, we would still love to help your child celebrate with their friends. How about a socially distanced outdoor party with a craft kit for each child? Call us to discuss how we can help!

SUMMER CRAFTS TO DO AT HOME  
 JUNE & JULY 2020

4306 UPTON AVENUE SOUTH MINNEAPOLIS, MN 55410 PHONE> 612.877.8090 WWW.HEARTFELTONLINE.COM

Heartfelt has reopened for in-person shopping, though not as it was before. We are proceeding with caution, to protect everyone. Our store hours are reduced. Handwashing and masks are required to shop in the store. And for now, no birthday parties or walk-in crafts. We will think about taking reservations later this summer for family groups to craft if virus cases continue to drop.

But all is not lost! We are going ahead with our summer craft camps, but virtually rather than in person. And we will continue to offer our prepackaged kits as well as the many "kits on demand" pictured in this newsletter. And online ordering will come later this summer. Our suppliers are shipping more slowly than usual; we appreciate your patience if materials for a "kit on demand" are temporarily out of stock.

We are also continuing curbside pickup and delivery for those who prefer it. Give the shop a call 612-877-8090 to place an order. Delivery within Linden Hills is free; delivery to east Edina, Fulton, and Lynnhurst is available for \$5.
