Camp Registration

Register your child by calling or visiting the shop. Payment in full is due at the time of registration.

Each craft camp has a theme and children of all ages (from those entering kindergarten to teens) may sign up for any of our camp weeks. During each camp, we will ensure that that crafts will be age appropriate; younger campers may do different things than senior campers.

The Camp Day

Campers will pick up a camp supply package the weekend before camp. Camp will begin each morning with virtual circle time with Miss Lisa via Zoom. We will discuss the craft projects for each day, then each child will work on them at home. Short "how to" videos will be available for each craft so children can follow along. Help will be available on an as needed basis via computer and we will end each camp with a second virtual circle time.

Junior Campers

Children entering kindergarten, 1st, and 2nd grade. Camps are Tuesdays through Thursdays 10:30 am to 1:00 pm. Cost is \$140 for each three day camp session.

Senior Campers

Children entering 3rd grade to 7th grade. Camps are Tuesdays through Thursdays 10:30 am to 2:30 pm. Cost is \$220 for each three day camp.

Cancellation Policy

Cancellations made two weeks before the start of camp will receive a full refund. Cancellations with less than two weeks notice will receive a credit towards another camp or drop-in crafts.

If we need to cancel a camp due to low enrollment, we will refund your camp fee in full. Please invite the families of your child's friends to sign up too--the more the merrier!

Virtual Craft Camps

Due to virus concerns and social distancing, we have decided to take our summer craft camps virtual! Campers will pick up a camp supply package the weekend before each camp. Camp will begin each morning at 10:30 am with virtual circle time with Miss Lisa via Zoom. We will discuss the craft projects for each day, then each child will work on them at home. Short "how to" videos will be available for crafts so children can follow along. Help will be available on an as needed basis via computer and we will end each camp with a second virtual circle time.

Each camp has a theme. Children entering kindergarten to age 12 may sign up for any of our camps. Camp will be from 10:30 am to 1:00 pm for children entering kindergarten, 1st, and 2nd grades. For older children 3rd grade to 7th grade, camp will be from 10:30 am to 2:30 pm. Children may work for a shorter or longer time depending on their age, attention span, and level of interest. Be sure to allow time for lunch.

Please let us know if your camper has a younger sibling. We can suggest one of our On Demand Craft Kits so the littles will feel included with their own project.

We will evaluate our camp program monthly to consider in person camp. Families will also be consulted as the summer marches on.

FAIRY CRAFTS

Fairies are fascinating creatures and we love to create miniature places for them to live. Our projects will include building a treehouse and furniture, making a fairy family, miniature clay dishes, food, wall art, and even tiny letters. If your child has already built a tree house, please consider the Enchanted Crafts Camp instead, as treehouses will be made by all participants of this camp. This is NOT a camp just for girls; boys love to build and create miniature worlds too!
Tuesday June 16th - Thursday June 18th
Tuesday August 11th - Thursday August 13th

AFRICAN ANIMAL CRAFTS

African animals are especially interesting, probably because they are so different from the North American animals we are used to seeing. Their babies are incredibly cute too! We will study a selection of animals based on the interests of the campers: elephants, giraffes, zebras, and hippos.

PIONEER CRAFTS

Pioneers were hard workers--they had to make almost everything. In this camp, we will learn about the lives of pioneers while making their traditional crafts like button jewelry, corn husk dolls, corn necklaces, and weaving. Perfect for Laura Ingalls Wilder fans! Each family will have a time to come to the shop on the first day (Tuesday June 30th) to come dip their candle and make their clay candle holder.
Tuesday June 30th - Thursday July 2nd

ENCHANTED CRAFTS

In this camp, we will focus on making all kinds of enchanted beings: mermaids, unicorns, gnomes, dragons, and giants. Stories and legends will help us learn about these mythical creatures, while our craft projects will bring them alive. A mermaid grotto, a fiery dragon, and gnome or fairy families will be among our possible projects.
Tuesday July 28th - Thursday July 30th

MACHINE SEWING 101

For children entering 5th grade and older. In this camp, we will learn the parts of the sewing machine, safe habits, moving fabric through the machine (reverse stitch, turning corners, following curves), seam allowances and more. Projects may include a tote bag, skirt, pillow, or apron. There will be a list for campers to bring the first day: fabric, thread, elastic. Details will be provided a week or two before camp begins. Children should bring a non-sweet snack and a water bottle each day.
