Summer Craft Camps

This will be our ninth year of exciting summer camps at Heartfelt. Last summer, our camps were virtual due to virus concerns. Families picked up packages of supplies, including step-by-step photo instructions and our instruction and circle times were via Zoom. We repeated this format for our Winter Camp and it was very successful.

Since we don't know what will be happening during the summer months, we are again planning virtual content for our camps. If the Covid situation is greatly improved and it is deemed safe to gather in person, we sure will.

Each camp has a theme. Children of all ages (from those entering Kindergarten through 6th Grade) may sign up for any of our camps. There will be two groups in each camp: Juniors for kids entering Kindergarten through 2nd Grade, and Seniors for kids entering 3rd through 6th Grade. The camp day will be shorter for Juniors and the projects adjusted so they are age appropriate.

CRAFTS FROM THE PAST

The crafts in this camp will be infused with history. First, we will study the Middle Ages. Our projects may include a catapult, illuminated initial painting, paper facsimile of a stained glass window, even a bow and arrow. Our second era will be Colonial America. We will dip candles, make simple dolls and games, and write with a quill pen. We will share stories of each era, then make our projects, bringing historical context and meaning to our crafting.

Tuesday June 15th - Thursday June 17th

FAIRY CRAFTS

Fairies are fascinating creatures and we love to create miniature places for them to live. Our projects will include building a treehouse and furniture, and making a fairy family, Junior campers will make wands, wings, and fairy crowns too.

WOODLAND CRAFTS

Forests are essential for the health of our planet. They clean the air, produce oxygen, regulate the temperature, and provide food for wildlife. As we learn about the woods, we will make forest animals and their homes, and create a miniature woodland scene with trees, plants, mushrooms, and a family of forest folk too.
