## Summer Craft Camps

2021 is our ninth year of exciting summer camps at Heartfelt. Last summer, our camps were virtual due to virus concerns. Families picked up packages of supplies, including step-by-step photo instructions and our instruction and circle times were via Zoom. We repeated this format for our Winter Camp and it was very successful.

We hope that we will be able to run our summer camps safely, in person, at the shop. If that isn't the case, we will use our virtual format. Either way, our summer camps are happening!

Complete summer camp information can be found on our website or pick up a printed brochure at the shop. Let's here it for summer!

## Fairy Treehouses
