Summer Craft Camps

2021 is our ninth year of exciting summer camps. Last summer, our camps were virtual due to virus concerns. Our plan this year is to have our camps **in person** at the shop, making ample use of outdoor space in the back of our building. Canopies will provide shade and shelter, and we will cool off inside periodically. Masks and distancing will be required.

Complete summer camp information can be found on our website or in the printed brochure at the shop. Some camps are already full--please sign up soon, to help us with our plans and preparations.

Fairy Treehouses

A treehouse is fun to make and a fantastic play toy too. A miniature low temperature glue gun is needed for this project. Prices include peg doll family, all decorations, and sticks for your glue gun.

Call 612-877-8090 to order your treehouse kit for pick up. Depending on our stock of treehouses, it may take us a day or two to fill your order.
