

# Birthday Parties

2021 - 2022

Unique craft activities in a cozy setting to help celebrate your child's special day.

## Birthdays are Special!

It is our pleasure and privilege to offer birthday celebrations at Heartfelt. When my daughter was young, her favorite day was her birthday. We both took great delight in planning her yearly party – simple crafts, some games, decorations, sometimes a puppet show, a yummy homemade cake. We would plan and discuss the big event for weeks ahead of time. Her favorite part was planning and preparing the goody bags.

My own girlhood birthdays were simple affairs, yet highly anticipated. The presents were less important than being singled out and celebrated. Each of us had a favorite cake – my brother loved spice cake, Dad preferred white cake with coconut icing, while my pick was always chocolate cake with fluffy white seven minute frosting.

Because of Covid, we had birthday parties outdoors this past summer. Now that the weather is cooling, we have rented an additional room in the back of the store for our parties. Masks are required and our parties are a little smaller, with a maximum of seven children (including the birthday child). We will still be offering our high quality crafts, a snack of fresh popcorn, a treasure hunt or archery and more.

We are happy to meet with you and your child to plan their special day, to discuss activities, and show you samples of the various craft options. The quality of the experience for your child and their friends is of the utmost importance to us. Please join us for a safe and happy Heartfelt birthday party for your child.
