Camp Registration

Register your child by calling or visiting the shop. Payment in full is due at the time of registration.

New this year, we will have separate camps for younger and older children.

Junior Campers

- ♥ Children ages 4 to those entering 1st grade.
- ♥ Junior Camps are Tuesdays through Thursdays 10 am to 2 pm.
- ♥ Cost is \$225 for each three-day camp session.

Senior Campers

- ♥ Children entering 2nd through 7th grades.
- ♥ Camps are Mondays through Thursdays 10 am to 2 pm.
- ♥ Cost is \$295 for each four-day camp.

What to Bring

Please pack a lunch and water bottle for your child each day of camp. Play clothes should be worn—crafting can be messy!

There will be a release form for parents/guardians to complete and sign. These forms will be emailed ahead of time; copies will also be available on the first morning of each camp session.

Cancellation Policy

Cancellations made one week before the start of each camp will receive a full refund. Cancellations with less than one week notice will receive a credit towards another camp or our Crafts by Reservation. If your child is unable to attend because of Covid or other illness, we will refund the camp fee for the day(s) your child is unable to attend.

If we need to cancel a camp due to low enrollment, we will refund your camp fee in full. Please invite the families of your child's friends to sign up too!

Summer Craft Camps 2022

This will be our **tenth year** of summer camps at Heartfelt. Year round, we offer an ever-changing menu of seasonal crafts for all ages (our Crafts by Reservation will continue to be offered throughout the summer and beyond). Our summer camps allow us time for more in-depth projects and are beloved by campers and teachers alike.

New this year, Junior and Senior Campers will each have separate camps. Teachers Lisa and Angee will lead the camps, with help from other staff as needed. We will once again use outdoor space as the weather allows. Hurray for Camp!

Junior Camps

Our Junior Craft Camps will have a different format this year. Ages will range from 4 years old to children entering first grade in the fall. We will gather Tuesdays, Wednesdays, and Thursdays 10 am to 2 pm. As always, our camp days will include crafting and a lunch break. We will add movement, stories, urban nature walks, and other activities, all inspired by our camp theme. Our Junior Camps will not include older children, so we can more fully meet the needs of our youngest campers, at a more relaxed pace.

Junior Fairy Crafts

Fairies are mysterious and intriguing creatures and children love them. We will create a fairy garden in a basin, with a little house and real plants. We will make a peg doll fairy family, a vehicle for them to drive, and more. Our walk to a neighborhood fairy garden will spark creative ideas and we will have plenty of time for fairy-inspired games and imaginative play.

Junior Favorite Crafts

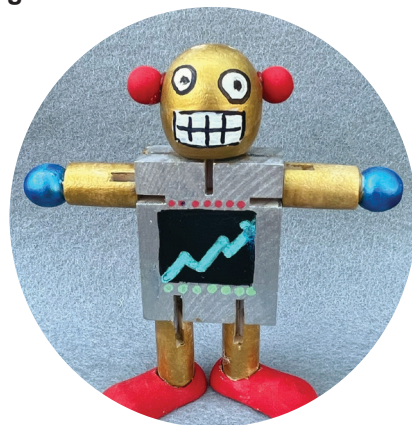

It is said that variety is the spice of life. In this camp, we will experience and explore different art and crafting techniques: felting, modelling, painting, and more. Our other activities will be varied as well: circle games, a scavenger walk, even a puppet show! For the child who loves art, crafts, and variety!

Tuesday, June 28 – Thursday, June 30

Junior Pet Crafts

Children love pets. In this camp we will make dogs, cats, bunnies, and more, along with cozy carriers or little homes for our beloved animals. Wood, beads, paper, and pinecones will be used to craft our pets, and during our games, we will have fun acting out the ways of different animals.

Tuesday, August 2 – Thursday, August 4
ALMOST FULL

Junior Things That Float Crafts

Boats, rafts, ice, corks—so many things float in water. In the summer heat, we will stay cool while we make and launch several kinds of boats in our little pool. Amphibians float too—frogs, toads, salamanders. Whales, dolphins, fish, turtles are all buoyant. We will use a variety of materials and techniques to create play sets of water loving animals. And we will have plenty of time to play with our toys and enjoy stories about life on the water.

Tuesday, August 9 –
Thursday, August 11

Junior Things That Fly Crafts

Kites, planes, rockets, hot air balloons—things that fly are fascinating. We will make simple paper kites and planes, then walk to the park to fly them. Many animals can fly too—birds, bats, butterflies. We will make models of such creatures using a variety of

techniques and materials: paper, wool, wood, and more. We will read about the Wright Brothers' first flight and a story about crows, the smartest bird in the world.

Tuesday, August 16 – Thursday, August 18

Senior Camps

We have made some changes to our camps this year. With younger children in their own camps, we hope to more fully meet the needs of older campers. For children entering 2nd through 7th grades, we are extending our camps from three to four days, Mondays – Thursdays, 10 am to 2 pm. This is in response to children and parents saying three days go by too fast. We will be able to delve into more skills and projects because of the extra day.

Senior Fairy Crafts

Fairies are intriguing creatures, and we love to create miniature places for them to live. Our projects will include building a treehouse and furniture, making a fairy family, miniature clay dishes, food, wall art, even tiny letters. This is NOT a camp just for girls; boys love to build and create miniature worlds too.

Monday, June 20 – Thursday, June 23 ALMOST FULL
or Monday, August 15 – Thursday, August 18

Senior Favorite Crafts

It is said that variety is the spice of life. In this camp, we will experience and explore different art and crafting techniques: felting, modelling, painting, decoupage, wood-craft, and more. For the child who loves art, crafts, and variety!

Monday, June 27 –
Thursday, June 30

Senior Up North Crafts

Whether camping or staying at a cabin, leaving the cities for time in nature and on the water is a rite of summer in Minnesota. Our projects will include a camping playset complete with a campfire, a lake-scape with cabin, and boats for our peg doll families. We will also work with materials from "up north": painting stones from Lake Superior and making driftwood crafts.

Monday, July 11 – Thursday, July 14

Senior Pet Lovers Crafts

Children love pets. In this camp, we will make dogs, cats, bunnies, and more, along with cozy carriers or little homes for our beloved animals. We will make our pets by sewing felted sweaters, winding and trimming pompoms, felting, painting and more. We will discuss the characteristics of various domesticated animals and how to make sure our pets lead happy lives.

Monday, July 18 – Thursday, July 21

Senior Fairy Crafts 2

For the older child who has already made a fairy treehouse. We will create free form fairy houses using sticks, bark, wire and more. Each house will be unique. We will build stick furniture and make woodland fairies and other beings from beads, sticks, and acorn caps. **Note: This camp is recommended for children entering 4th grade and older.**

Monday, July 25 –
Thursday, July 28

Senior Miniature Crafts

Making miniature worlds is fun and fascinating. Each camper will create a mini village-scape complete with roads, trees, buildings, and small people. We may include a fruit and vegetable stand, playground structures, a picnic area and more. We will use our imagination as we figure out how to make miniature accessories for our villages.
