Preschool Festivals

2023 - 2024

For children 2-1/2 and older with a grown up, each festival offers simple seasonal craft or two for the children and their adult, plus a wholesome snack. Siblings are welcome too.

Our preschool festivals are a nice, low-key opportunity for very young children to participate as part of a group. Adults too enjoy coming together in community. We celebrate the rhythm of seasons and nature in all its beauty, helping us all slow down to appreciate the world around us.

Apple Festival
Wed September 27th 10:30 am

The apple harvest is a delicious time! We will felt little wool apples, then slice real apples to discover the secret star inside. Each family will make a string of apple rings to take home to dry.

Note: please bring a small sharp knife if possible for our apple slicing.

Winter Festival
Wed January 17th 10:30 am

Kids love winter and we can see why—snow is so much fun for play! Make a small scene with pinecone trees, little stones, and a snow person too.

Love Festival
Wed February 14th 10:30 am

Love is the answer, to almost anything! We will celebrate it while making wet felted hearts and other heartfelt crafts.

Pumpkin Festival
Wed October 25th 10:30 am

Instead of traditional Jack-o-Lanterns, we will carve pumpkins into houses, and make little gnomes to live inside.

Note: we have several carving kits but feel free to bring your own tools if you have some.

Bunny Festival
Wed March 20th 10:30 am

We will make rabbit-shaped bread rolls, and several bunny crafts. Near the end of our time together, a real rabbit will come for a visit!

Thankful Festival
Wed November 22rd 10:30 am

Prepare for the coming feast by making autumnal centerpieces with natural materials, and cute cork turkeys too.

Spring Festival
Wed April 24th 10:30 am

Celebrate the coming of our long awaited spring while making watercolor kites and crowns..

Solstice Festival
Wed December 20th 10:30 am or
Thurs December 21st 10:30 am

As our part of the world grows darker, we can make our own light inside. Join us for lantern making and a festive snack.

Note: we will host two sessions of this popular festival to help accommodate families with children off school. Please register early.

Butterfly Festival
Wed May 22nd 10:30 am

We will learn all about bees and how important they are. We will sample honey and make cute bee-inspired crafts. Understanding bees can help children overcome their fear of these essential pollinators.
