Preschool Festivals

Sept 2024 - May 2025

For children 2-1/2 and older with a grown up, each festival offers a simple seasonal craft or two for the children and their adult, plus a wholesome snack. Siblings are welcome too.

Our Preschool Festivals are a nice, low-key opportunity for very young children to participate as part of a group. Adults too enjoy coming together in community. We celebrate the rhythm of seasons and nature in all its beauty, helping us all slow down to appreciate the world around us.

PLAYDOUGH FESTIVAL
September 26th 10:30 am

The best playdough is homemade. We will share our recipe and show you how to make it. Then let's play with cookie cutters and rolling pins. Each child will take home several colors of playdough so the fun can continue at home.

PUMPKIN FESTIVAL
Thursday October 24th 10:30 am

Instead of traditional Jack-o-Lanterns, we will carve pumpkins into houses, and make little gnomes to live inside. Kids love playing with their houses for days after the Festival!

THANKFUL FESTIVAL
Wednesday November 27th 10:30 am

Prepare for the coming feast making a seasonal centerpiece. We will make cute little turkeys too.

SOLSTICE FESTIVAL
Wednesday December 18th OR
Thursday December 19th 10:30 am

As our part of the world grows darker, we can make our own light inside. Join us for lantern making and a festive snack.

SNOW FESTIVAL
Thursday January 23rd 10:30 am

Tape-resist salt painting is really fun for children and adults. The finished piece resembles a winter snow storm.

MAGIC WOOL FESTIVAL
Thursday February 20th 10:30 am

Wool is an amazing fiber! We will sort colored bits of fleece, then felt into organic shapes with soap and water. Adults will make a simple wool gnome while the children snack and play.

SPRING FESTIVAL
Thursday March 20th 10:30 am

Celebrate the coming of our long awaited spring while planting little dish gardens with grass seeds for the children to tend. Adults will learn to make a beeswax animal to live in the garden.

BUNNY FESTIVAL
Thursday April 17th 10:30 am

We will make rabbit-shaped bread rolls, and several bunny crafts. Near the end of our time together, a real rabbit will come for a visit! This is one of our most popular Festivals so please register early!

BEE FESTIVAL
Thursday May 15th 10:30 am
We will learn all about bees and how important they are. We will sample honey and make cute bee-inspired crafts. Understanding bees can help children overcome their fear of these essential pollinators.

Note: This is our last festival until September 2025.
